

The Belleville Country Club has a lot of "NEWS" going on!!!!

NEW MANAGEMENT --- NEW COOKS --- NEW BARTENDERS --- NEW  
SPECIALS

Which all lead to NEW FUN!

Our new management team consists of Stacey Bowen & Danny Stetser. They have a lot of ideas which include but are not limited to a happy hour called "Just one more hour" where they will offer daily drink specials from 7-9. They are researching hosted entertainment nights which include DJ's, Karaoke, Game Nights ( minute to win it, trivia, yard games, choose your own drink pong, & charity poker games ) Winter Sucks Party, & Cinco De Mayo Celebration. They are also checking pricing on self entertaining items like Mega Touch a touch video game that has several individual or team games to choose from, self standing dart board, & even a pool table.

Jeff Huncovsky is returning to the Club as lead cook who, in my opinion, makes one of the best steaks in town! With his help we are bringing in new menu items which include a new kids menu, more options with salads & wraps, & Friday night specials. We also want to offer special menus on other nights of the week as well; discussions have included tacos, wings & pizza rolls, breakfast for dinner night.

With the new passion, excitement, & desire to succeed don't hesitate to update your membership! You definitely want to be part of this new endeavor!
